GO TEAM GO!!!!

Connolly 7th & 8th Grade Black squeaks past McKemy White for the BIG WIN!!!

What a nail biter. You couldn't ask for a closer set of matches between two fine volleyball teams. The game between Connolly Black and McKemy White was a great display of both offense and defense by both teams. The Tigers and Crusaders both made huge plays with phenomenal volleys, digs and serves. The game was intense, filled with energy and emotional. Both teams played with passion and a sincere love for the game. Each team played their hearts out but in the end Connolly came out on top. Each match was close but somebody had to win. Connolly started off strong winning the first match, but McKemy wasn't giving up. McKemy tightened up it's

defense and rallied back to steal the second match. The second match was a wake up call for Connolly who had to quickly think of a way to recover. In the end Connolly stood their ground and recaptured the win in the 3rd match:

Match I: 21-17

Match II: 20-22

Match III: 22-20

GREAT PLAY IN OTHER GAMES TOO!

Job well done in the 6th grade Fees Black vs. Gililand Gold game where *Nunki* served 10 straight points and *Mona* served 7 straight points for the win. Nice pitch in from both teams during the

Fees Gold and Gililand White 7th and 8th grade game. Both *Yvette Sanchez* and *Erica Najera* did their part serving 7 straight each. In the second match it was *Brittany Najera* who put the smack down with her three additional straight serves. Gililand stole all three matches for the win.

Sun Shining Brightly on Gilliland White 7th & 8th Grade

What a wonderful sunny bright day for the Roadrunners of Gililand as they dominated the playing field against Connolly White. Everything leaned in the favor of the Roadrunners as they were brilliant both defensively and offensively. Though a tremendous effort

was made by the Crusaders, it just wasn't enough to hold Gililand down. Connolly battled every pass and play of the game but couldn't pull it off. The Crusaders executed excellent plays and had great strategies that unfortunately just didn't turn out as they had hoped. It was a great showcase of talent by all of the Gililand team players who united together to finish with a strong win. A fabulous job done on the de-

fensive end for Gililand. They were unbreakable as they held their ground not allowing one point to be scored against them. On the offensive side, honorable mention is to be given to **Xavier Brooks** for his great play. He scored 2 extra points and a touchdown to contribute to the Gililand victory. The final score ended up a shut out, Gilliland 36 and Connolly 0.

**Let's see...
